April 19, 2020

To Our School District Community:

This message is meant to provide you with a few important updates. It is my hope that you enjoyed the Spring Break and found some time to relax and perhaps do something new and different.

As you may have heard, Governor Murphy has extended the school closure to at least May 15th. This means that virtual teaching and learning will continue as planned beginning again tomorrow, Monday, April 20th. Please be sure to review the Virtual Learning schedule on our website that was designed for each school, as some minor changes were made to the Middle School level.

Here's a brief update on some items of interest:

- Meal Distribution pick-up and delivery will begin again tomorrow, Monday, April 20th.
- If you do not have access to the Internet, please let us know by calling 646-7911 X 1001.
- Continue to check our social media sites, @EHTNJSchools, everyday for updated information, recognitions, and of course the Pledge of Allegiance.

Lastly to our 8th grade and senior students and parents. You are in our thoughts. I want you to know that we are spending time this week to create surveys for feedback as well as alternate plans for end of the year events such as your awards ceremonies, dances, prom, and graduation should we need them. Once we have plans in place, we will be sure to share them with you. Our goal is to be able to provide you with as many 'end of the year' activities as we can, even if it is through a virtual or an alternate framework.

I thank you for being patient and supportive, but mostly for being a collaborative member of our school community as we look to becoming more innovative in redesigning the norm.

Stay safe. We are #EHTStrong!

Respectfully,

Kimberly A. Gruccio, Ed.D

Superintendent
