February 24, 2021

Dear EHT School Community,

Last night at the Egg Harbor Township Board of Education meeting I announced our EHT Road Forward Plan that provides more in-person learning opportunities for students in our district beginning the week of March 22, 2021. This plan includes a change to our current hybrid model. We are combining Groups A and B so that students can attend school four days per week: Tuesday through Friday. Mondays will remain a virtual day for students of Groups A and B. As of now, students will follow their same abbreviated schedule.

Today you will receive notification of a survey for you to fill out in our [Infinite Campus Parent Portal](#) (linked). The survey will be open now through Sunday February 28, 2021. The survey will ask you to commit each of your children to either attending school in-person or through virtual learning. In order to assist you in making this decision, the link in this document provides information regarding the [Road Forward Plan](#) (linked). In addition, if you have questions you can also contact your child's building principal. Please note that if your child is currently attending a five day district program you will receive a separate communication.

I appreciate everyone's timely cooperation with filling out the survey as we need accurate numbers to prepare classrooms and revise bus routes to accommodate our combined Group A and Group B students.

We are excited to be "Moving Forward with #EHTPride!"

Respectfully,

Kimberly A. Guccio, Ed.D
Superintendent
